Dean Elvis J. Stahr, Jr.  
University of Kentucky Law School  
Lexington, Kentucky

Dear Dean Stahr:

As President of the Southeastern Chapter of the Association of American Law Libraries I wish to inquire about the possibility of our holding a chapter meeting in Lexington next year concurrently or in conjunction with the meeting of the Southeastern Conference of Law Teachers.

Although I am not at this time a law school librarian I have been in the past and most of the members of our chapter are now. Since one of our primary objectives is the strengthening of the tie between the law libraries and the law schools which they serve we feel that there is much to be gained by a joint or concurrent meeting such as the one in Chapel Hill in 1953.

In order that you may consider this proposal with all the facts at hand I must call to your attention the fact that as a chapter of the American Association of Law Libraries negro law librarians in the Southeast are entitled to participate in our activities. Thus far no negro librarians have taken part in any of our meetings. However, we cannot make plans for a meeting without considering this possibility. Since I do not know whether a mixed group is acceptable in Lexington or not I feel constrained to call this matter to your attention.

We sincerely trust that you will look on our suggestion for a joint or concurrent meeting in Lexington with favor. At the same time we assure you that any decision you make will be accepted without question.

Very Sincerely,

President, Southeastern Chapter

Dear Miss Oliver:

Thank you for your letter of November 15. It is my understanding that the University of Louisville School of Law and the University of Kentucky School of Law will be joint hosts to the Southeastern Regional Conference of Law Teachers in 1956, and I shall be glad to consult with my faculty and with Dean Russell and his faculty about your proposal to hold a concurrent meeting of the Southeastern Chapter of the American Association of Law Libraries. Speaking personally, I should be very glad to have your group meet with us, and I hope to have a definite answer for you fairly soon.

Sincerely yours,

Miss Jane Oliver, President,

Dear Miss Oliver:

The faculties of the University of Kentucky College of Law and the University of Louisville School of Law have voted unanimously to extend an invitation to the Southeastern Chapter of the Association of American Law Libraries to hold a Chapter meeting next year concurrently or in conjunction with the meeting of the Conference of Southeastern Law Teachers, to which we are to be hosts.

I regret the time it has taken to confirm this, which is in no way due to any doubts on our part as to the desirability of such a joint or concurrent meeting.

With respect to one paragraph in your letter, please be advised that mixed racial groups are entirely acceptable on this campus and, I believe, on the campus of the University of Louisville. There may still be a problem with respect to hotels, but there is a new and excellent motel for negroes, if that problem should arise.

Committees from our two law schools are planning to get together in Chicago next week during the annual meeting of the Association of American Law Schools. We will have one joint committee on program and another on arrangements. You might wish to designate someone from your organization in this area as liaison for you. Until further notice, I suggest that you consider me as the liaison for the Law Teachers group.

I can realize that some parts of your program might be of interest to our group, and vice versa. I suggest we exchange program ideas as they develop. We shall let you know from time to time as plans for other arrangements mature.

Sincerely yours,

Elvis J. Stahr, jr.

Dear Mr. Stahr:

I thank you so very much for your letter of December 21, 1955 inviting the Southeastern Chapter of the Association of American Law Libraries to hold a chapter meeting concurrently or in conjunction with the Southeastern Conference of Law Teachers next year. I am sure that the Executive Board of our Chapter will be very pleased with this news and that plans will go forward immediately to arrange for the meeting.

Since addressing my first inquiry to you I have been married and am planning to give up my library work in the near future. Miss Corinne Bass, Law Librarian at the University of Mississippi, is Vice President of our Chapter and will take over upon my resignation.

Very truly,

Dear Corinne:

Dean Stahr has just told me that you are to have charge of the Southeastern Law Libraries meeting which will be held here in August, in conjunction with the Southeastern Law Teachers meeting and has asked me to tell you something about how plans for the meeting are shaping up.

The meeting is set for the week of August 20, but the exact days are not yet definite. There will be a social evening preceding the first day. There will be program sessions on the morning and the afternoon of the first day with a dinner meeting that night. On the second day there will be a program session in the morning and a Bluegrass tour in the afternoon. The program has not been completed, but the program committee is planning an International Law Panel. We will keep in touch with you and let you know as soon as the dates and the program become fixed.

We are all looking forward to having the library meeting here. Mrs. Von Allmen, from the University of Louisville, which is a joint host with Kentucky for the Law Teachers meeting, and I both hope that you will let us know if there is anything which we can do here to help with your arrangements.

With best wishes,

Sincerely,

Dear Mrs. Von Allmen:

I have asked Dorothy Salmon to be chairman and want you to be member of the Local Arrangements Committee for the meeting of the Southeastern Chapter of A. A. L. L. to be held in conjunction with the Kentucky meeting of the Conference of Southeastern Law Teachers.

Dorothy recently wrote me about some of the interesting plans which have been made. We are looking forward to the meeting.

Plans for the Chapter meeting are quite tentative, but I hope that we can make more definite plans sometime soon. Jane Oliver Green suggested that we leave time for interested librarians to attend some of the meetings of the law teachers and that entertainment might be integrated with that planned for the law teachers also except perhaps for one luncheon. Please let me have your ideas and suggestions.

I shall write you again when I have something further to report.

Sincerely yours,

Corinne Bass, President

Dear Dean Stahr:

Mrs. Mary Oliver Green has referred to me her correspondence with you concerning the possibility of the Southeastern Chapter of A. A. L. L.'s holding its meeting in conjunction with the Kentucky meeting of the Conference of Southeastern Law Teachers. We appreciate very much your cordial invitation, and wish to go forward with the plans for the meeting.

I have recently had a letter from Miss Dorothy Salmon telling me something of the interesting plans you have made. I have appointed Miss Salmon chairman and Mrs. Von Allman of University of Louisville member of our Local Arrangements Committee. Our plans are still in a very tentative stage, but we shall keep you informed as they develop. Please do not hesitate to deal directly with Miss Salmon and Mrs. Von Allmen whenever this arrangement would be more convenient for you.

It was a pleasure to meet you at the Southeastern Conference here last summer. I shall look forward to seeing you again.

Sincerely yours,

Corinne Bass, President

Dear Dorothy:

Thank you for your very nice letter. I want you to serve as chairman and Mrs. Von Allmen as member of our local Arrangements Committee for the Southeastern Chapter of A. A. L. L. for the meeting in conjunction with the Southeastern Law Teachers.

The program and social events planned sound most interesting. In which parts do you think it would be appropriate for the library group to participate? Being right there on the spot, I think you are in a better position than I to decide. Jane Oliver Green suggested that we leave time for interested librarians to attend some of the meetings of the law teachers and that entertainment might be integrated with that planned for the law teachers also except perhaps for one luncheon.

Suggested programs for us are one on local practice books, digests, etc. for the different states and another on the status and projected activities of the Southeastern Inter-Library Research Facility. However, these are quite tentative. I wrote to the Executive Board members as soon as I received Jane's resignation, but I find that it takes a remarkably long time to get anything done by correspondence. As soon as things develop I shall write you.

How have you been since Chicago? I surely enjoyed being with you and shall be so glad to see you again. Are you going to Philadelphia?

Sincerely,

Corinne Bass, President

Dear Corinne:

Thank you for your letter. I shall be glad to serve on the Local Arrangements Committee for the August meeting. I had a note from Pearl Von Allmen last week, and we are hoping to get together in Louisville during the Bar Association meeting, April 4 and 5. Please let us know as anything occurs to you which we could be doing.

The Program Committee for the Law Teachers' Meeting hopes that it may be possible to arrange a district meeting of the Kentucky State Bar Association in Lexington during the time of the Conference, with a prominent lawyer or judge to address both meetings. The Committee also hopes that the library group will participate in most, if not all, of the meetings and social events. I don't think there have been any developments in the program planning since I wrote you, but I'll let you know as things shape up.

I am planning to go to Philadelphia in June and shall be looking forward to seeing you again. I enjoyed Chicago, too.

Sincerely,

Mr. John Folger, Assistant State Librarian  
Georgia State Library  
Atlanta, Georgia

Dear Mr. Folger:

As you probably know, Jane Oliver Green has resigned as president of Southeastern Chapter of A. A. L. L. and I have taken over her duties.

We plan to have a Chapter meeting at A. A. L. L. in Philadelphia. Arrangements have been made to hold our next annual meeting concurrently with the meeting of the Conference of Southeastern Law Teachers to which University of Kentucky and University of Louisville are to be joint hosts. This letter is to ask you to serve on the Program Committee for our annual meeting. I am asking Mr. Stanley Bougas to be Chairman of the Committee and Miss Ruth Corry to serve as member.

Mary Oliver and Sarah Leverette, members of Southeastern Chapter Executive Committee, agree with me that it might be well to go forward with the plans which you and Jane have made for the meeting. I quote from Jane's letter to me: "It seems to me that two program sessions at Louisville should be enough, leaving time for interested librarians to attend some of the sessions of the law teachers. I assume that entertainment can be integrated with that planned for the law teachers also except perhaps for one luncheon. My idea for the program was to devote one session to a round table discussion or evaluation of the practice books, digests, etc. for each state represented in the Chapter with the idea of helping out-of staters select publications for their own libraries. As you know these publications are seldom reviewed in the leading law reviews. Because of time limitations it might be necessary to limit panel members to representatives of four or five states and then encourage contributions from the floor. Another meeting might be devoted to briefing the members of the group on the status and projected activities of the Southeastern Inter-Library Research Facility which has recently been organized under the auspices of the Southern Regional Education Board. This Facility certainly affects any cooperative efforts which law libraries might be considering." These are of course, merely suggestions for your consideration.

Dorothy Salmon is Chairman and Mrs. Von Allman member of our Local Arrangements Committee for the meeting. Dorothy says in her

letter of February 28th: "The meeting is set for the week of August 20, but the exact days are not yet definite. There will be a social evening preceding the first day. There will be program sessions on the morning and the afternoon of the first day with a dinner meeting that night. On the second day there will be a program session in the morning and a Bluegrass tour in the afternoon. The program has not been completed, but the program committee is planning an International Law Panel." Again in letter of March 23rd, Dorothy says: "The Program Committee for the Law Teachers' Meeting hopes that it may be possible to arrange a district meeting of the Kentucky State Bar Association in Lexington during the time of the Conference, with a prominent lawyer or judge to address both meetings. The Committee also hopes that the library group will participate in most, if not all, of the meetings and social events". I have quoted from these letters at some length so that our program may be integrated with that of the Law Teachers.

Please let me hear from you.

Dear Miss Bass,

The answer to your letter is a bit tardy but with the burden of the annual Law Day past, our annual Income Tax deadline past and the necessity of building a hutch for an Easter bunny over, it is my belief the business at hand can again resume its abnormal course.

May I first congratulate you on your assumption of the duties of President of the Southeastern Chapter of the A.A.L.L. I want to thank you for the privilege of being allowed to serve as chairman of the program committee. Ruth Corry, John Folger and I shall try our best to prepare for the forthcoming meeting.

Ruth, John and I have discussed and put the proposed program under way. The round table discussion on practice books, digests etc. is being worked out. Letters shall go to five librarians to act as the panel - do you have anyone in particular in mind? I would suggest the librarians of perhaps the following states: Kentucky, Virginia, Mississippi, South Carolina, and Florida. That is, if they will serve. The committee shall ask a librarian from each state to fill us in on such materials in order to produce a report to present to the Chapter at the meeting; such a report would be invaluable if we can get a listing of the materials from each state.

Efforts shall be made to bring to the membership any news concerning the progress of the Southeastern Inter-library Research Facilities.

The following outline of events is offered by the committee, realizing of course, that it is subject to change, both by the Chapter and the S.E. Law teachers:

Of course the program can be shifted around to meet the needs of the membership, but the committee feels that if the discussions were taken care of in the morning hours, it would be more convenient for the membership to visit the SE Law Teachers functions and take in some of the "sights".

Now the only thing remaining is to be present at the meeting. At any rate you shall have in hand any materials we gather to help make the meeting a successful and pleasant affair.

Dear Sarah:

Thank you for your suggestions and for list of membership of Southeastern Chapter, A. A. L. L.

I have had quite a lot of correspondence with Dorothy Salmon. The gist of this correspondence is that the Law Teachers meeting is set for the week of August 20th, but the exact days are not yet definite. There will be a social evening preceding the first day. There will be program sessions on the morning and the afternoon of the first day with a dinner meeting that night. On the second day there will be a program session in the morning and a Bluegrass tour in the afternoon. The program had not been completed when I last heard from Dorothy.

The suggested Program Committee has agreed to serve. I enclose copy of projected Chapter program as outlined by Mr. Bougas.

Your idea for a membership card for those who have paid dues seems good and in line with current practice. How much do you suppose the cards would cost?

Do you have any suggestions of membership of the nominating committee? Please be thinking too of any business which should be included on the agenda for our next meeting. We can do any necessary mimeographing here.

Sincerely,

Dear Corinne:

The Program Committee has given me a little more information which I want to pass on to you. It is now pretty definite that there will be two panels on Friday, one on International Law and the other on Legal Research. The Program Committee suggested that whichever panel would be of most interest to us could be scheduled, say, for Friday morning, leaving Friday afternoon free for our own program. There will probably be an address on Saturday morning (they are hoping to get Mr. Justice Reed as the speaker) which we can also attend, if we are free.

I am enclosing a copy of a recent letter which Dean Stahr sent to the Deans with some information on the arrangements for the meeting.

As soon as you know how the program will be set up and can make an estimate of the number who may attend, I'll write you about the facilities which are available for meetings. I hope we can get an air-conditioned room. In the meantime, if there is anything which you want me to do, please let me know.

Dear Sarah:

I have today received from Frances Farmer letter dated April 30th asking that I send in our Chapter annual report. I note from Chapter correspondence, that you prepared this report last year and sent it to Mary Oliver for transmittal. I hope we can follow the same procedure this year - that you will be able to prepare the report again this year and then send it to me for transmittal. I have written to Mary and also to Jane asking that they send suggestions direct to you, as according to Frances' letter the report is to be sent promptly.

On April 26th, Dorothy Salmon wrote advising that the time set for the Southeastern Regional Conference of Law Teachers is August 23-25. Dorothy requests that we give her some estimate of the number we expect to attend our meeting so that she can advise as to facilities available for the meeting, etc. Do you have any idea of the number we can expect? The list of membership which Sarah sent me recently includes twenty-nine names. Eighteen librarians attended the Chapel Hill meeting in 1955. We might ask for some kind of advance registration later.

The tentative program of A. A. L. L. meeting in Philadelphia indicates that the morning of June 27th is free for group, chapter and committee meetings. Possibly we can have our Chapter meeting at that time.

I see also from the correspondence that report of Nominating Committee is to be made at that Chapter meeting. Please don't delay in sending me your suggestions for membership of the Nominating Committee. I imagine that it will require some time for the Committee to get the slate ready, etc. I do not like to make too many of the decisions without your help.

Are you planning to attend both the Philadelphia and the Lexington meetings? I surely hope so.

Sincerely,

Corinne Bass, President

I note from Chapter correspondence, that Sarah prepared this report last year and sent it to you for transmittal. I have asked her to follow the same procedure this year. I told Sarah that I was writing to you and to Jane Oliver Green asking that you send direct to her suggestions of items which should be included. According to Frances' letter, the report should be sent promptly. Will you please send me a copy of your suggestions?

On April 28th, Dorothy Salmon wrote advising that the time set for the Southeastern Regional Conference of Law Teachers is August 23-25. Dorothy requests that we give her some estimate of the number we expect to attend our meeting so that she can advise as to facilities available for the meeting, etc. Do you have any idea of the number we can expect? The list of membership which Sarah sent me recently includes twenty-nine names. Eighteen librarians attended the Chapel Hill meeting in 1955. We might ask for some kind of advance registration later.

The tentative program of A. A. L. L. meeting in Philadelphia indicates that the morning of June 27th is free for group, chapter and committee meetings. Possible we can have our Chapter meeting at that time.

I see also from the correspondence that report of Nominating Committee is to be made at that Chapter meeting. Please don't delay in sending me your suggestions for membership of the Nominating Committee. I imagine that it will require some time for the Committee to get the slate ready, etc. I do not like to make too many of the decisions without your help.

Are you planning to attend both the Philadelphia and the Lexington meetings? I surely hope so.

Sincerely,

Corinne Bass, President  
Southeastern Chapter, A. A. L. L.

Dear Dorothy:

Thank you for your letter of April 26th, and for the copy of Dean Stahr's communication to the Deans of Law Schools in the Southeastern Region.

I should think that of the two programs, the one on Legal Research would be of greater interest to the Library group. Don't you agree? Of course, the program on International Law is also of interest.

As soon as I have a more definite idea of the number of Chapter members who may attend, I'll write you. Our latest membership list includes twenty-nine names. Eighteen librarians attended the Chapel Hill meeting in 1955.

We appreciate very much your efforts to get an air-conditioned room for us, etc.

Sincerely,

Corinne Bass, President

Dear Mr. Bougas:

Dorothy Salmon recently sent me more information about the program for the Southeastern Regional Conference of Law Teachers, which information I want to pass on to you.

"It is now pretty definite that there will be two panels on Friday, one on International Law and the other on Legal Research. The Program Committee suggested that whichever panel would be of most interest to us could be scheduled, say, for Friday morning, leaving Friday afternoon free for our own program. There will probably be an address on Saturday morning (they are hoping to get Mr. Justice Reed as the speaker) which we can also attend, if we are free."

Of the programs on International Law and Legal Research, I should think that the one on Legal Research would be of greater interest to our group. Do you agree?

Enclosed is copy of communication from Dean Stahr to the Deans of Law Schools in the Southeastern Region.

Sincerely yours,

Corinne Bass, President

May 16, 1956

Dear Corinne,

Shifting gears from housekeeping to A. F. L. L. poses quite a problem. I am honestly amazed at how quickly professional matters can be submerged under the pleasant deluge of tasks that go with making a home. And need I add - I love every minute of this new life.

When I wrote Connell about the Chapter meeting in Philadelphia I thought we would have the election of officers at that time and then devote some time to a discussion of the Southeastern Interlibrary Research Facility which has just been established under the auspices of the Southern Regional Education Board and its relationship to cooperative activities of our group. I also assumed that time for a meal would be included in the three hours. Another idea for a program was based on the idea of acquainting out of state

librarians with the state materials for each of  
the Southeastern States which should be items  
for first purchase. I think a very good Panel  
discussion could be worked out around this  
theme.

I do not know whether I'll get to Lexington  
or not but I am planning to maneuver Sam into  
inviting me to go along. I really would love  
to come but we have a couple of trips on schedule  
for this summer and I'm not sure that I will get  
them.

I will write Sarah a note though I certainly  
have no accomplishments to summarize.

Most sincerely,  
Jane

Dear Corinne,

Ruth Corry, John Folger and myself have again met and considered your most recent communication concerning the joint meeting of the S.E. regional conference of law teachers and the Southeastern chapter of the A.A.L.L.

We present the following program for your approval:

<u>August 23,</u> Thursday, p.m.	Reception
<u>August 24,</u> Friday, a.m.	International law ---- Round table on Practice materials; Business meeting.
p.m.	Legal Research.
	Banquet.
<u>August 25,</u> Saturday, a.m.	Southeastern library Project; Business Meeting.
	Adjourn.

We agree that the program of legal research would be of great interest to our group. Therefore we have scheduled the round table on practice materials to coincide with the law teachers panel on international law.

According to Miss Salmon's remarks the program as set up will give us time to attend the legal research group. Of course, there are one or two questions which arose. Friday seems to be the only day wherein we will be fully occupied with either business meeting and panels and Saturday morning with a panel. This does not seem to leave time for the proposed blue grass tour unless it were scheduled for Saturday afternoon. However, we do believe that upon adjourning most librarians would probably head for home as quickly as possible. The suggestion was made as to the opening of our meeting early Thursday. We would like your comments on this. Of course, the disadvantage to this would be that some librarians would have to leave considerable earlier and this may consume some of their "time". (meaning vacation time, convention time etc.)

The following librarians will be written to, to take part in the practice materials panel. We are hoping they accept.

Miss Wallach,

Mr. Oppenheim,

Mr. Faris and

The librarian at the University of Florida (I would appreciate it if you would send me his full name).

Miss Leverett,

Miss Oliver.

This all depends, of course, on whether they will attend the meeting.

Hoping to hear from you soon on these suggestions. I hope you will forgive my tardy reply.

Dear Minette:

In view of Jane Oliver Green's marriage and resignation as President of Southeastern Chapter of A. A. L. L., I find myself trying to make plans for the Chapter meeting to be held in Philadelphia during A. A. L. L. I hope you are planning to go to Philadelphia and to attend the Chapter meeting.

Will you please plan to make a report at that meeting on the Newsletter? I know that the membership is interested in that project. In fact, I notice that the first Newsletter states that publication of a newsletter "was selected as the principal project for the coming year". I hope you will give a progress report and also lead a short discussion of future plans for the Newsletter.

If you will not be in Philadelphia, will you please ask someone else who is familiar with the project to make the report, etc.?

I have written Carol Moreland for a definite date for the Chapter meeting but have not yet hear from him. In any case, I feel sure that there will be a Chapter meeting. The membership will be notified as to time and place, etc.

From May 30th through June 9th my address will be 1445 Philip St., New Orleans. Please let me hear from you. I should appreciate also any other suggestions you may have of matters which should be taken up at the meeting.

I shall look forward to seeing you again.

Dear Corinne:

We are sending you under separate cover our duplicate transcript of the Fourth Annual Proceedings, Southern Law Review Conference on open exchange.

I will have to disappoint you. The Lexington meeting interferes with my vacation and nothing will prevent me from recouperating and preparing for a new term (with legal bib. on my hands).

What is needed most in our section is an understanding of what we are doing in each school regarding the development of special collections. We should distribute the burden so as to get more diversified materials into the region instead of a lot of duplication of expensive sets.

E. g. We have the Zeitschrift der Savigny Stiftung, all three divisions (Roman, Germanistik, Canon law). We will send the volumes on inter-library loan. We lack court decisions from Latin American countries; we would like to borrow from time to time.

Well, good luck!

Sincerely,

Unfortunately, I will not be able to attend either the Philadelphia or the Kentucky meeting. This has been discussed with John Folger, Ruth Corry and myself and John Folger will represent our committee at any rate at the Philadelphia meeting. Ruth will probably be at the Kentucky meeting.

I will be teaching this summer and there is a lack of travel funds, so, any plans that I had had must be laid aside. John will get in touch with you at the meeting concerning all our recommendations and plans.

Dear Corinne:

Enclosed is a copy of the tentative program for the Southeastern Conference, which we thought you would like to have for the Philadelphia meeting. You will notice that the Legal Research Panel has been scheduled for Friday morning and the International Law Panel for Friday afternoon. This was done because of speakers' schedules and also because the Committee felt that the International Law Panel would be of more interest to members of the District Bar, who will meet in Lexington on Friday afternoon.

The Committee has suggested that, in addition to attending any of the regular sessions, we might like to have a joint registration at the Campbell House on Thursday and to join their opening session on Friday morning. We are also invited to the Reception on Thursday night.

The Laboratory Theatre has been reserved for August 24 and 25 for the Southeastern Chapter. Although this room is somewhat large for us, we thought it would be convenient, since it is next to the Guignol, in which the Conference sessions will be held, and it's air-conditioned.

I shall certainly be sorry to miss the meeting in Philadelphia. I hope that Pearl Von Allmen will be able to attend. We are looking forward to seeing all of you here in August.

Enclosed is copy of a letter from Dorothy Salmon and copy of latest tentative program for the Southeastern Law Teachers Conference. Don't you think these indicate that we should plan a Chapter luncheon for Friday?

I am glad that John Folger will be able to present the program at the Philadelphia meeting. I'll get copies of Dorothy's letter and the Law Teachers' program to him before the meeting. It appears from advance registration that attendance at our breakfast will be very small.

Dear Dorothy:

June 27<sup>th</sup>

We have just finished the breakfast meeting of South eastern Chapter, G. A. L. L. The attendance was very small, since only a few of our members are here. We missed you.

It was decided that John Folger, with the help of Mary Oliver, will get out the next edition of the Newsletter. In this Newsletter we will ask for an advance registration for the Lexington meeting. We want to have a joint registration with the Law Professors, as you suggested. In this connection, will you please answer the following questions:

1. What is the registration fee?
2. Does registration fee include cost of the banquet? If not, what is approximate cost?
3. Since our luncheon on Friday is to be separate from that of the Law Professors, what will be the approximate cost of the luncheon? Where will it be held?

4. Headquarters hotel;

a) Name.

b) Approximate rates?

c) In the event that some negro members attend, will they be accommodated at Headquarters hotel? If not, what arrangements can be made for them?

(I have a letter from Dean Stahr addressed to Jane Oliver to the effect that segregation is not a problem in Kentucky.)

Since the Newsletter will include request for nominations and this request must be sent to the membership within a very short time, will you please send your answers to the above questions direct to John D. Folger, Georgia State Library, 303 State Capitol, Atlanta, Ga., and send a copy to me.

In the same newsletter, the members will be asked to let you know whether they plan to attend the meeting, so that you will have some idea of the number for which plans must be made.

~~concrete plans~~ must be made.

Thanks again.

Dear Corinne:

I am sorry not to have been able to get this to you sooner and also to further delay the Newsletter by sending it to you instead of to Mr. Folger, as you requested. We thought, however, that since some of the arrangements and the program are still tentative, you might prefer to include general information on the meeting in the Newsletter and have us send more detailed information (rooms, social affairs, etc.) a little later when Dean Stahr sends this information to the law school teachers. We could also include requests for reservations at that time, if you like. If you should want us to do this, will you please send us a list of the libraries to which the information should be sent.

With regard to any negro members who might attend, as Dean Stahr wrote Miss Oliver, there is no problem on the campus, and they would be entirely free to attend all meetings and the luncheon in Donovan Hall, on Friday. The Campbell House, the headquarters hotel, is restricted, and negro members could not be accommodated there. However, there is a negro hotel and motel at which they could be accommodated. They could attend the registration and reception at The Campbell House, since they are private functions. The only problem which might arise would be in connection with the cocktail party and banquet at the Lafayette on Friday. We think that they probably could attend, as members of a private group, but we will not know definitely about this until arrangements for the banquet have been completed. In the event that they could not do so, we could probably make arrangements for a separate dinner at either The Campbell House or the Phoenix, which we understand will accept mixed groups for private dinners. Because of this possibility, we thought that you might prefer not to give definite information on the dinner until later.

I want to apologize again for my delay. I hope it hasn't held you up too much.

Sincerely,

*Dorothy Salmon*

1. Registration fee. (The registration fee has been tentatively set at \$5.00 and will include the reception on Thursday and the banquet on Friday).
2. Luncheon. Friday, August 24th. (The plan is to have lunch served, cafeteria style, in Donovan Hall (on the campus) and sit together, as a group. The cost will probably be around \$1.00 or \$1.25).
3. Headquarters Hotel. (The headquarters hotel is The Campbell House, a suburban hotel on the Harrodsburg Pike. It is completely air-conditioned, with swimming pool and golf course. The rates are \$8.00 single and \$12.00 double). Other air-conditioned rooms are available in nearby hotels at \$5.00 single and \$8.00 double).

Mr. John D. M. Folger  
Georgia State Library  
303 State Capitol

Dear John:

I have today received a letter from Dorothy Salmon. The Campbell House, the Headquarters hotel, is restricted, and negro members could not be accommodated. However, there is a negro hotel and motel at which they could be accommodated. They could attend the registration and reception at Campbell House, since these are private functions. There is some question at this time as to whether they could attend the cocktail party and banquet at the Lafayette on Friday. If they could not attend, arrangements could be made for a separate dinner. There is no problem on the campus and a mixed group would be entirely free to attend all meetings and the luncheon in Donovan Hall, on Friday.

Dorothy suggests that since program and arrangements are still tentative, we include in the Newsletter only general information on the meeting and that more detailed information (rooms, social events, etc.) be sent a little later. In view of possible complications, don't you agree with ~~mer~~that Dorothy's suggestion should be followed and that we should send detailed program and request for reservations in a separate letter?

The most important thing to be included in the Newsletter is the request that nominations for officers be sent to the Nominating Committee (Miss Jeanne Tillman, Wake Forest College, School of Law, Winston-Salem, N. C. or Miss Margaret M. Prendergast, Mobile County Public Law Library, 121 South Royal St., Mobile Ala.) The officers to be nominated are 1) Vice-President and President-Elect for 1956-57 and 2) Secretary-Treasurer for 1956-57. It is important that this request go out at once since our annual meeting is only a few weeks away. Please set a deadline, say ten days from the date on which you mail the Newsletter. I enclose a copy of the current paid membership to ~~whom~~ the newsletter should be sent. If you need paid help, please use it, and send me the bill, but get the letter out as promptly as you can.

Thanks so very much for all your help. It was so good seeing you in Philadelphia.

Sincerely,

Corinne Bass

University of South Carolina Law Library

Dear Sarah:

I hope things are going nicely for you by now. We missed you at the Philadelphia meeting.

I hope that the Newsletter will be out within a few days. It will include a request that nominations be sent to Miss Jeanne Tillman or to Miss Margaret Prendergast. Is it your understanding that the persons receiving the largest number of votes are elected (provided the Nominating Committee can persuade them to serve) or is it your understanding that after the nominations are in a vote will then have to be taken either by mail or at the annual meeting?

Please tell me also when the annual dues are to be paid. Possibly a request for dues should be included in the letter we send out asking for reservations for the meeting. Have we requested and received the refund of dues from National?

The headquarters hotel for the Law Teachers meeting, Campbell House, is restricted and negro members could not be accommodated there. There is some question at this time as to whether negroes could attend the cocktail party and banquet at the Lafayette. They could attend the other functions and there is a negro hotel and motel. In view of the complications, Dorothy Salmon suggested that we not include in the Newsletter information as to rooms, social events, etc., but rather that send this information in a separate letter after final arrangements for the banquet have been made.

Will you be able to send out this letter? I can send you program details and also information as to room rates etc. and social events as soon as I receive the information from Dorothy. If you cannot get out the letter, please let me know, so that I can make arrangements to have it done here. I rather think the letter should be sent to all potential members in the area as listed in A. A. L. L. 1956 directory. Do you agree? There are approximately 100 names so listed. Will you please send me a list of potential negro members in our area. Actually, I think the possibility that any negroes will attend the Lexington meeting is very remote.

Please let me hear from you.

It is important that the Newsletter go out promptly since it is to include requests for nominations of officers. There are only a few weeks remaining before the meeting.

We will send out another letter later giving details of program, social events, rooms, etc. You have done more than enough. If Sarah is unable to send the letter, I'll take care of it from here. When Dean Stahr sends the information to the law school teachers, will you please send me a copy? Let me know also about rates etc. at the negro hotel and motel and whether the cocktail party and banquet at the Lafayette will be restricted. I think the possibility that any negroes will attend our meeting is very remote. In the event that any should attend and the Lafayette cannot accommodate a mixed group, we will just have to have a separate dinner.

Thanks again.

Miss Mary Oliver

Dear Mary:

Thanks for the fine minutes. My only suggestion would be that you might want to use a more general term, such as "Librarians" rather than "members" to describe those in attendance at the Breakfast Meeting, since Hazel Key and Janet Riley have not paid dues, etc. Incidentally, do you know when dues are to be paid? I haven't been able to find that information in the Chapter correspondened.

I hope that the Newsletter will be out within a few days. It is to include a request that nominations be sent to Miss Jeanne Tillman or to Miss Margaret Prendergast. Is it your understanding that the persons receiving the largest number of votes are elected (provided the Nominating Committee can persuade them to serve) or is it your understanding that after the nominations are in a vote will then have to be taken either by mail or at the annual meeting?

Miss Dorothy Salmon  
University of Kentucky Law Library

Dear Dorothy:

Thank you for calling and for all the other things you are doing for the Southeastern Chapter meeting. I like the idea of the printed joint program, etc.

My understanding with Hohn Folger in Philadelphia was that he was not to send out the Newsletter until he heard from you. Apparently he sent the Newsletter before he received my letter telling him of your suggestions.

The Newsletter was sent to only those who have paid 1955-56 Chapter dues. It gave information about the program and asked that requests for information about accommodations be sent to you. There is no need to send any further communication to these people until they indicate to you that they are planning to attend the meeting. A list of those who have paid 1955-56 Chapter dues is enclosed for your information.

Enclosed is a second list of those who have not paid dues but have otherwise indicated an interest in the Chapter. The people on this list should be notified of our meeting. If the notice you are sending out for the Law Professors includes information about our program, etc., please send a copy to each of the names on this additional mailing list. If the notice sent to the Law Professors does not include information about our meeting, please send me information about rooms, etc. so that I can get out a letter here. I want to handle all this in the way that would be easiest for you.

Since you are going forward with the joint program, I assume that the Lafayette Hotel will accommodate a mixed group for the cocktail party and banquet. John Folger tells me that Mr. Joseph E. Gibbs told him at A. A. L. L. that he was definitely planning to attend the Lexington meeting. In this connection, the list is as follows: Mr. Joseph E. Gibbs, Florida A. & M. will be successful also. Ruth Corry will give a  
report on "Southeastern Inter-Library Research Facility".  
Ruth will get in touch with you at the meeting  
about some of the last details for the reports.

It has been a pleasure working on this  
committee. Give my best regards to everybody.

Dear Corinne:

The enclosed material went to all those on the Additional Mailing List. We have received replies from only six persons to whom the Newsletter was sent, four of whom (Miss Oliver, Miss Corry, Mrs. Prendergast and Mrs. Von Allmen) have indicated they plan to attend. This information has also been sent to them. Mr. Feerick and Mrs. Walker indicated that they do not plan to attend. In view of the very limited response, would you like for me to go ahead and send hotel information to the other chapter members?

With regard to accommodations for Mr. Gibbs, Mr. Cutliff, and Mr. Spellman, we have sent them a slip asking them to let us know whether they plan to attend. If they should do so, they can be accommodated either in private homes or at a negro motel. The cocktail party and banquet at the Lafayette will be open to them.

We have had to give up the plan to have the luncheon at Donovan Hall, which will be closed at the time of the meeting, and probably will arrange it at The Campbell House (it will cost a little more, but we will try to keep it under \$2.00). I hope that Dr. Thompson, our Director of Libraries, will be able to attend the opening luncheon. If your time permits, perhaps he could say a few words to the group at that time. If this idea strikes you favorably, let me know, and I'll be glad to ask him.

Sincerely,

August 23-24-25, 1956  
Lexington, Kentucky

Hosts  
University of Kentucky  
University of Louisville

Because of the dates of the American Bar Association meeting and the continuation of various summer school sessions, this seemed the most appropriate time.

Registration will open the conference from 5.00 to 8.00 p. m. on Thursday, August 23, at The Campbell House Suburban Hotel. The Magnolia Room in this hotel is the site of a reception for members of the conference, beginning at 8.30 p. m. on the twenty-third.

Meetings

The official meetings will be held at the Guignol Theatre on the campus of the University of Kentucky. The theatre is a modern comfortably appointed air-conditioned auditorium in the new Fine Arts Building, located on Rose Street.

Expenses

There will be a registration fee of \$5.00 which will include the receptions on Thursday evening at The Campbell House and Friday afternoon in the Red Room of the Lafayette Hotel and the banquet on Friday evening in the Gold Room of the Lafayette Hotel.

Headquarters for the conference will be The Campbell House Hotel, a new air-conditioned structure with a swimming pool and golf course available for those who are interested. Rates at this hotel are \$8.00 single and \$12.00 double. Other principal downtown hotels are the Phoenix and the Lafayette.

At a convenient distance from The Campbell House is the Springs Motel, the largest in the South, also air-conditioned, whose rates are \$5.00 single and \$8.00 double. It is suggested that reservations be made directly with the hotels, and a form is provided herewith for that purpose. We are informed that no difficulty need be anticipated with regard to housing if the reservations are returned within a reasonable time.

Special entertainment will be provided for the wives of attending members. Tours of the Blue Grass area, swimming and golf will be available. The main tour of the Blue Grass will be arranged to follow the close of the conference at noon on Saturday, August 25.

Transportation

Lexington is located 75 miles east of Louisville and 90 miles south of Cincinnati and is served by Eastern, Delta and Piedmont Air Lines, and the I&N, Southern and C&O Railroads. It may be reached from the East by US Highway 60, from the South by US 25, 27 and 68, and from the West by US 60, 62 and 68.

Dear Dorothy:

Thanks for the program and information about reservations, etc. They are so impressive that I think sending them to the other chapter members may stimulate interest and encourage more people to attend. I hope so! I wired you about this a few minutes ago, because the time is getting so short that even a couple of days might make a difference.

Wh have no program planned for the luncheon and it would certainly be very nice indeed for Dr. Thompson to talk at that time. Will you please invite him for us? If you think it necessary, I'll write to him also.

I was so glad to hear from the Nominating Committee that you have consented to having your name placed in nomination for the office of Vice-President and President-Elect.

I'll make my reservation with the Campbell House.

August 20, 1956

Dear Corinne:

Just a note to tell you that the program and other information went out to the other chapter members by air mail when we received your telegram and should have been in their hands at least by Tuesday, the 14th. I'm afraid it hasn't been too effective, though. So far as we can determine, there are only eight reservations so far--Mary Oliver, Harriet French, Minette Massey, Ruth Corry, Mrs. Prendergast, Pearl Von Allmen, and ourselves. I have invited General Field Harris, from the State Law Library, to come over, and I think Pearl may invite Mrs. Meuter, from the Jefferson County Law Library, in Louisville. It looks as if our ranks may be pretty thin.

I have invited Dr. Thompson to say a few words to us at the luncheon, and he has agreed to do so.

Pearl Von Allmen and I expect to be at The Campbell House around four on Thursday, and we'll get in touch with you then.

Sincerely,

Dorothy Salmon

FIRST SESSION SOUTHEASTERN CHAPTER  
OF AMERICAN ASSOCIATION OF LAW LIBRARIANS, LEXINGTON, KENTUCKY

August 24, 1956

The annual meeting of the Southeastern Chapter of the American Association of Law Librarians was held in Lexington, Kentucky, August 23 through 25 in conjunction with the meeting of the Southeastern Conference of Law Teachers. The first business meeting was called to order on August 25 at 2:00 by the President, Miss Corinne Bass, University of Mississippi.

On motion of Miss Harriet Franch the Chapter dispensed with the reading of the minutes of the last annual meeting.

In the absence of the Secretary-Treasurer, Miss Sarah Leverette, the minutes of the meeting held at Philadelphia and the Secretary-Treasurer's report were given by Miss Mary Oliver.

The President brought greetings to the group from Mrs. Greene, Miss Kate Wallach, Miss Sarah Leverette and other members of the Chapter who were unable to attend. The president then asked for a discussion of any matters of business to come before the meeting. Miss Mary Oliver raised the question of the possibility of the group doing some work on recruitment of personnel for the Law Library profession. After some discussion of this matter it was decided to withhold action until the next business meeting. After various announcements were made by the President, the business was closed and the panel discussion was held.

Among those present were Miss Minnette Massey and Miss Harriet French of the University of Miami, Miss Ruth Corry of Georgia State Library, Miss Mary Oliver and Miss Caroline Heriot of the University of North Carolina, Mr. E. Magruder Faris of Washington and Lee, Miss Dorothy Salmon of the

University of Kentucky, Mrs. Pearl Von Allman of the University of Louisville, Mrs. T. M. Minutes of the Aug. 25, 1956 Meeting of the  
Southeastern Chapter, American Association  
of Law Libraries held in Lexington, Kentucky

At the Saturday A. M. meeting of the association a report was given by Ruth Corry on two regional library organizations of general interest to law librarians in the Southeast. They were SIRF (South-Eastern Interlibrary Research Facility) and ASERL (Assocn. of South-Eastern Research Libraries).

Miss Corinne Bass presided over a discussion period which followed. These matters were brought up:

1. SIRF Liason

The group was interested in offering its services to SIRF on any bibliographical or survey projects where it might be of aid and Ruth Corry was appointed to contact SIRF/<sup>director,</sup> Dr Graham Roberts., in care of Southern Regional Education Board (SREB) in Atlanta.

2. Documents Exchanges

Dorothy Salmon was requested by Miss Bass to contact Mr. Thompson of the University of Kentucky Library and offer the groups aid on the problem of Documents Exchange among libraries.

3. Recruitment

Mary Oliver was invited to use her discretion in contacting Library Schools in the area or the Association of American Library Schools on the matter of encouraging interest in law librarianship. Included in this recruitment discussion were comments on the necessity for dignifying the profession by regarding it as a distinct profession. The possibility of recruitment from the rich field of the law library student helper<sub>s</sub> was mentioned. It was also suggested

that more aid from Law School Deans and Library School Deans in counseling might increase interest in the profession.

4. Newsletter

Stanley Bougas of the Emory University Law Library was appointed to edit the 1957 newsletter. Aside from news and dues it was to include several of the Annotated State Practice Book Lists, which were discussed in the Friday Roundtable Meeting on Practice Materials.

5. Acquisitions Lists

All members were urged, if they had mimeographed new acquisitions lists, to put Southeastern member libraries on their mailing lists.

6. New Serial Titles (5 yr. cum. 1950-55)

No special effort was to be made regarding cooperation on this Library of Congress project since it was felt that the individual libraries were already working through their own University Libraries on this survey. The survey is being sponsored in the Southeast by SIRF.

7. Periodicals

One member discussed the possibility of the groups undertaking a master list of <sup>the areas</sup> periodicals but it was felt that the Libr. of Congr. Union List of Serials 5-year cumulation might preclude this effort. However, members were urged to place member libraries on their mailing lists for mimeographed lists of their periodical holdings, if available.

8. Dues

1956 dues were collected at the meeting by Mary Oliver, acting Secretary.

9. Officers

The association's 1957 officers are: President-elect, Dorothy Salmon, Secretary-Treasurer, Minette Massey.

10. Mary Oliver

Corinne Bass announced that Mary Oliver was elected by the South Eastern Law Teachers as a Board Member. She is the first woman to be so honored.

11. AALL Meeting 1957

Antlers Hotel, Colorado Springs, June 24.-27, 1957.

12. Southeastern Chapter Meeting 1957

The group will not meet with the Law Teachers in 1957. The Georgia member present volunteered to sponsor the meeting in Atlanta in 1957. Miss Bass then appointed the 1957 local arrangements committee which includes John Folger and Ruth Corry, chairman, of the Georgia State Library, and Stanley Bougas of Emory University.

13. In Appreciation

A rising vote of thanks was given to Corinne Bass for doing an excellent job of presiding and to Dorothy Salmon of the University of Kentucky and Pearl Von Allmen of the University of Louisville for their splendid hospitality.

14. Adjournment

The meeting was dismissed at 12:00 noon.

Respectfully Submitted,

Dear Dean Stahr:

First of all, please let me congratulate you on a very successful meeting of Southeastern Law Teachers together with Southeastern Chapter of A. A. L. L. and Kentucky District Bar.

I want especially to thank you again for your cordial welcome to the Chapter at the opening meeting and at the banquet. It was a pleasure to be with you. This unofficial association between the Law Teachers and the Law Librarians is very desirable and worthwhile. On behalf of the Chapter, I want to express our appreciation for your part in making it possible.

With best regards to you and to Mrs. Stahr,

Dear Dean Russell:

Holding our Southeastern Chapter of A. A. L. L. meeting concurrently with the Southeastern Law Teachers Conference was a real pleasure and opportunity. We think that this unofficial association between the two organizations is very desirable and worthwhile. We appreciate your part in making it possible.

You were all so very cordial to us. Thank you.

Miss Dorothy Salmon, Librarian  
University of Kentucky School of Law  
Lexington, Kentucky

Dear Dorothy:

I can't thank you enough for the many, many nice things you did to make our meeting a success. I do believe you all thought of everything and managed it all beautifully. Everyone was so very cordial to us and we do appreciate it.

Just one word of Chapter business already, Madam Vice-President. I happened to be talking today with Sykes Martin, our Director of Libraries, and mentioned to him the possibility of a meeting at some time in the future of our Chapter with Southeastern. Sykes thought it an excellent idea. However, Southeastern meets only biennially, in October, and their next meeting will be in 1956. That doesn't seem to fit too well with our schedule.

It was loads of fun being with you, Dorothy. I enjoyed every bit of it - from our first luncheon together all the way through the delightful trip to Berea.

Sincerely,

Corinne Bass

Mrs. Pearl Von Allmen, Librarian  
University of Louisville Law Library  
Louisville, Kentucky

Dear Pearl:

You did so much for us in Lexington. It was a most successful meeting, thanks to all of you of the Local Arrangements Committee. I know it involved lots of work, taking care of us so very nicely.

In addition to all that, I enjoyed so much just being with you and getting to know you.

See you in Denver, I hope.

Sincerely,

Corinne Bass, President

Dear Dr. Thompson:

Your talk at our Southeastern Chapter luncheon was most interesting and informative. We hope that something can be worked out towards a more efficient document exchange procedure.

Thank you very much for being with us and for contributing so pleasantly to the success of our meeting.

Sincerely yours,

Dear Corinne:

I am enclosing the minutes of the 1956 meeting/you  
requested that I take during Mary Oliver's brief absence  
from the meeting. By now you will have received Bougas's  
tentative 1957 program and the Newsletter draft, for your  
approval.

Also enclosed is the picture of a mutual friend.

PS

The enclosure is a carbon of the minutes  
and the original, perhaps you want to  
send the latter to Mary for her approval  
and signature, if necessary.

The Southeastern Chapter of the American Association of Law Libraries held a breakfast meeting at the Bellevue Stratford <sup>Hotel</sup> Coffee Shop on Wednesday, June 26 while the Association was meeting. Miss Corinne Bass, President, presided with the following members present: Mr. Richard W. Neal, Alabama Supreme Court Library; Miss Janet Riley, Loyola University; Mr. John Folger, Georgia State Library; <sup>Miss</sup> Hazel Key, University of Virginia; Miss Corinne Bass, University of Mississippi; and Miss Mary Oliver, University of North Carolina.

Miss Bass announced that Miss Jane Oliver, formerly president of the chapter, had married Mr. Thomas Green, Jr. of the University of Georgia School of Law faculty. Appreciation was expressed for the excellent work Mrs. Green had done as President and as a member of the chapter.

It was announced that the next meeting of the Chapter will be held at Lexington, Ky., August 23-25. Mr. Folger reported on the tentative program for the Kentucky meeting, which is being held in conjunction with the Southeastern Conference of Law Teachers.

It was suggested by Miss Oliver that since one of our greatest problems seems to be the recruitment of personnel for the Law Libraries, we might consider a publicity program directed at the Library Schools and the Law Schools particularly within the Southeast. This program might be aimed at informing librarians, library school deans and students of the opportunities within the field.

After a short discussion of the next issue of the Newsletter, the meeting was adjourned.

Respectfully submitted,  
Mary W. Oliver  
Acting Secretary
